DARING CITIES 2023 DIALOGUES

1. Mitigation
   - Unleash local potential
   - National support needed:
     - Capacity development
     - Knowledge support
     - Financial support

   Suffering from climate change
   - For us small countries, it's important that our voices are heard & acted upon

   Japan's effort

   - Hiroshi Ono

2. Adaptation
   - Regional decarbonization roadmap
   - Clean city partnership programs (C2P2)

   Build in resilience
   - Foster interconnection of everything
   - Share knowledge
   - Access to finance

Dominica's reality check

DARING CITIES 2023 DIALOGUES

CHALLENGES

Impact on infrastructure has the most impact on those most affected by climate change

Lack of finance

Find Purpose in this Challenge

Bring them to the table

IMPACT ON INFRASTRUCTURE HAS THE MOST IMPACT ON THOSE MOST AFFECTED BY CLIMATE CHANGE

Lack of Finance

IMPLICATIONS

How to Implement in a JUST & EQUITABLE WAY?

1. Priority on just transition
2. Share our knowledge on decentralization
3. Access to finance

GREATEST DIFFICULTIES IN Cooperations between Levels of Government

Huge policy & mindset gap

Multi-level collaboration is key

PANEL: MULTI-PERSPECTIVE REFLECTIONS

DARING CITIES 2023 DIALOGUES

1. Climate Emergency Response: City Case Studies
   - Key themes: Linking civil society with urban dwellers
   - Focus: Younger generations and non-technical perspectives

2. Just & Equitable Climate Emergency Response
   - Engaging youth on local level
   - Goals: Recognize social & gender issues, address climate resilience

3. Feminist Approaches to Climate Emergency Response Policy
   - Holistic approaches
   - Case study: Yucatan in Mexico

4. Climate Emergency Resilience & Adaptation
   - Strong institutional framework
   - Gender equality

5. Multilevel Partnerships for Climate Emergency
   - Including SURGE
   - Case studies: Mekong Region, UN-Habitat

6. Global Stocktake: Taking Multilevel Partnerships Forward
   - Education, alignment, sustainability

7. Climate Emergency Finance
   - Access to funds, stakeholder engagement

Rondez Table Discussions
